Mayor's Recommendation of Smith Engineering Company for the Campus Wash Drainage Management Plan (DMP). Project # 7815.07

**The Selection Advisory Committee met on May 23, 2006 to consider the following project:**

***Project:***        **Project # 7815.07 - Campus Wash Drainage Management Plan**

***Agency:***       **Department of Municipal Development**

***Cost:***            **The Estimated Construction Cost:**                      **\$ 200,000.00**

**Project Description:**

This study will analyze the entire Campus Wash Drainage Basin from where it enters the North Diversion Channel at Lomas and Stanford (UNMH) to its farthest upstream limits. The analysis will include the affect of all constructed drainage and road facilities on runoff and if appropriate preparation and submittal of LOMR documents including response to any comments.

The Committee made the following recommendation:

1.        Smith Engineering Company
2.        Bohannon Huston, Inc.
3.        Resource Technology, Inc.

The Committee's analysis, score-sheet compilation and Minutes of the Meeting are attached. Therefore, in accordance with Section 14-7-2-1 et seq, ROA 1994, the following is my consultant selection recommendation concerning the procurement of professional services for the above listed project:

SMITH ENGINEERING COMPANY

This recommendation is being forwarded for Council consideration and action.
